Your voice for New Jersey’s Cannabis Industry

Our mission is to promote the growth of a safe and meaningful cannabis industry. We promote sensible policies to optimize the responsible growth and development of New Jersey’s cannabis market. The NJCIA strives to promote all industry sectors including: biotechnology, cultivation, manufacturing, finance, retail, security, industrial hemp and consulting services. New Jersey is poised to become one of the most significant markets in the United States. Our policy makers are relying on our industry thought leaders to craft the best practices and common sense solutions for cannabis in the Garden State.
